Yeah, bam, bam, bam, heyya, whassup, yeah  
We was like that you know  
Yeah, and I bet you got layed back  
Yeah, I'ma uh, I'm a just sit in here for a couple of  
hours  
Man, don't sweat it, yo, we gonna catch some stuff,  
dude  
Oh no, I'm kinda tired  
Nah, we got a basket, we're gonna fill this basket  
Before we go, yo, aight, bro  
'Cuz there are otha fish

It took a second to register up in my branium  
My dome, my head, my skull, my cranium  
My eyes have had enough, it was time to do some  
talkin'  
I had to creep through the hound dogs that were  
stalkin'  
This slimmy caught me peepin', this means she wasn't  
sleepin'  
On who I was, so she crept in like a hawk  
In a minute's time, we adjourned to the floor  
Ooh, I hit a high note 'cuz of the way that she was  
walkin'

We got into the groove, I didn't bust no, uh, hip hop  
moves  
I just kept it nice and smooth  
Next thing you know, we got together, word, I thought  
we'd be forever  
Didn't have an umbrella, now I'm soaked in stormy  
weather  
Whether two birds of a feather fly or fall it'll be  
together  
Never sympin' and leave your love life limp  
There'll be no suicide attempts for this slim trim kid  
'Cuz you know there's otha fish in the sea, that is in the  
sea  
In the sea that is

(In the sea)  
You know there's otha fish in the sea that is

(In the sea)  
You know there's otha fish in the sea that is  
(In the sea)  
You know there's otha fish in the sea that is

I reminisce, try to clear up all the myths  
For an imaginary kiss with you again  
Not even friends, though I wish that I could mend  
Like a tailor and be Olive Oil's number one sailor  
I am what I am, still I falls like an anvil  
She's heavy on the mind, sometimes it's more than I  
can handle  
But men aren't supposed to tumble into the den B

Macho, but I hanzo like Pancho will give in  
Family oriented, but not Oriental  
A dame is supposed to claim ya even if you drive a  
Pinto  
A hero is a sandwich, and a Manwich is a meal  
A marriage is a paper, are they fakin' or for real?  
What's the deal dabbers? Will you go tumbling after  
Your man and take a stand or will you help him roll  
faster?

The reason why I ask you is because I'm sick of this  
Bitch lickin' drip, drip from a niggaz benefits  
He doesn't even suit ya and he's surely not ya size  
I'm surprised that you slept on a heart that's worldwide  
And when ya open up ya eyes, babe, my mate, I really  
wish  
That ya don't bruise a limb, as ya swim with Otha fish in  
the sea  
In the sea that is

(In the sea)  
You know there's otha fish in the sea that is  
(In the sea)  
You know there's otha fish in the sea that is  
(In the sea)  
You know there's otha fish in the sea that is

Now, if there ain't no mountain high enough  
Why ain't you climbin' up?  
My hand has been extended every since the day I lent it  
to ya  
I thought I knew ya, but I didn't even know ya  
Bro, you're stupid 'cuz ya thought you'd catch a Cupid  
And you found that love ain't two whiffs of shit, so I  
resign or quit  
It ain't even about the hips, or the lips or the tits  
Or even the pussy whip, Elizabeth, this is it

Because I slipped and I tripped into a shoe that didn't  
fit

And now the next man is stealing my heart away  
I'd charge him like a bull, but his pull never fades me  
The kid is going crazy, they steppin' with my lady  
They workin' on a baby, I'm pushin' up the daisies  
But, hey diddle diddle, I won't play second fiddle  
To no man and stand firm on this  
And seal up on the bliss with a big juicy kiss  
Just call me Big Gibraltar miss  
No, I won't diss, I'm just like on to otha fish in the sea,  
in the sea that is

(In the sea)  
You know there's otha fish in the sea that is  
(In the sea)  
You know there's otha fish in the sea that is  
(In the sea)  
You know there's otha fish in the sea that is  
You know there's otha, you know that there's otha

(In the sea)  
You know there's otha fish in the sea that is  
(In the sea)  
You know there's otha fish in the sea that is  
(In the sea)  
You know there's otha fish in the sea that is  
(In the sea)  
You know there's otha fish in the sea that is

(In the sea)  
You know there's otha fish in the sea that is  
(In the sea)  
You know there's otha fish in the sea that is  
(In the sea)  
You know there's otha fish in the sea that is  
(In the sea)  
You know there's Otha fish in the sea that is

(In the sea)  
You know there's otha fish in the sea that is  
(In the sea)  
You know there's otha fish in the sea that is  
(In the sea)  
You know there's otha fish in the sea that is  
(In the sea)  
You know there's otha fish in the sea that is

(In the sea)  
You know there's otha fish in the sea that is

(In the sea)  
You know there's otha fish in the sea that is  
(In the sea)  
You know there's otha fish in the sea that is  
(In the sea)  
You know there's otha fish in the sea that is

(In the sea)  
You know there's otha fish in the sea that is  
(In the sea)  
You know there's otha fish in the sea that is  
(In the sea)  
You know there's otha fish in the sea that is  
(In the sea)  
You know there's otha fish in the sea that is

In the sea, baby  
In the sea, baby  
In the sea, baby  
In the sea, baby
