We can face the fuck off like hockey or Face Off like
Travolta
Face off like car radios with the mind of Minolta
Face off like Treach if you're fuckin with Vin Rock
You still pop shit? I face off like fembots
And I'm the six million motherfuckin dollar man
With a six million muh'fuckin dollar plan
For thug niggaz and pimp players and drug niggaz
Your technique, I sweep under the rug niggaz
Out of Queens, shit I serve with the fiends and bug
niggaz
I'm above niggaz, but all in all, I love niggaz
Like my man Benny Rat (uh) showed me the rap game
Told me never to act sane on a record or rap plain
Now the name reign supreme, seen major creme
Rhymes, sicker than lyme disease and gangrene
I'm the most obligated, nigga creatin havoc
Check the meaning for Monch, the meaning becomes
tragic
RAW - if you want it
RAW - yea we got it indeed
Yo actually I'm just tryin to eat
FOR SURE - if you need it on tour
Yea we ready to bleed
I'm sayin God I'm just tryin to eat

Basically y'all could get eight twice like Lynn Swann
plus get ate like pussy
Get ate like Mickey D's after the hydro when you push
me
Get ate like cannibalism and sliced surgical
In any extremity y'all get infinity vertical
Every line to word of mine will be verbally placed to
murder you
The master, flippin convertible flows irreversible
Unobtainable to the brain it's unexplainable what the
verse'll do
Pharoahe's the sperm your mind's the eggs I'm burstin
through
Y'all heard of me, I pack macs and crack vertebraes
Leave niggaz with third degree burns and back surgery
Mics guns knives, pick declare which object, flip
Have niggaz runnin like the Blair Witch Project
RAW - if you want it
RAW - yea we got it indeed
Yo actually I'm just tryin to eat
FOR SURE - if you need it on tour
Yea we ready to bleed
I'm sayin God I'm just tryin to eat
