Ladies and gentlemen  
Yes sir  
Let's do it  
Yes sir

Yo, on and on and my \*\*\*s I'm palming  
Take two of these and call me in the morning  
You should see the way the chain heart is a charmin'  
Flying like a bird like Nelly Furtado

\*\*\*\*, pop ya bottles toast and scream,  
Ã¢Â€ÂœCheers!Ã¢Â€Â  
Getcha two step Ã¢Â€Âcuz it's the record of the year  
\*\*\*\*\* that brought you Ice Creams, 2 for a Pair  
Officially announcing this is warfare

Ã¢Â€ÂCuz back in the day my clouds was grey  
And it seemed like my angels couldn't blow them away  
But then I sold my first verse and copped that NSX  
But I was still ridin' in them thin ass jets  
But now

Man, my business so clear out the window of the Lear  
And I'm talking on my celly all this \*\*\*\* that you should  
hear  
Listen clearly now  
Hello, can you hear me now?

Can I have it like that?  
You got it like that  
Can I have it like that?  
You got it like that  
Can I have it like that?  
You got it like that  
Can I have it like that?  
You got it like that

So, drop ya purse and grab ya hips  
And act like ya tryin' to get this money right quick  
So can I have it like that?  
You got it like that  
Can I have it like that?

You got it like that

On and on and this beat is zoning  
I control they mind from straight over the phone and  
Let 'em explore the words something like a tourist  
And never get addicted unless the heady wop is  
serious

From Louisville to Jimmy Choos, he's real  
She know the time she sees the Richard Mille  
Flat double skeletal Tourbillion  
It's just like her body move, it turns her on

She like the way my hands use her body for hand  
warmers  
And all our car doors go up like Transformers  
See I can do it thisaway, I can do it thataway  
From the crib in Virginia to that new Miami getaway

So cool it like New Edition unless you hot as you say  
I'll get it, ok, let it boil away  
But please run along, 'cuz ladies is feelin' wrong  
And I got some right for 'em right after this song  
My name is Skateboard P

Ladies and gentlemen

Can I have it like that?  
You got it like that  
Can I have it like that?  
You got it like that  
Can I have it like that?  
You got it like that  
Can I have it like that?  
You got it like that

So, drop ya purse and grab ya hips  
And act like ya tryin' to get this money right quick  
So can I have it like that?  
You got it like that  
Can I have it like that?  
You got it like that

On and on and the temperature's warming  
I spit heat flashes, \*\*\*\*\* get nauseous  
Bright as a b\*\*\*\*, so analyze with caution  
When the light hit the ice bet a 100 that you vomit

Should I mention the fact the transition is the track?  
New incision to the vision just to get me where I'm at  
Lil' Skateboard he too grown

Riding up and down Collins in that new two-tone

It's so cold you don't wanna feel the chill of it  
(Uh!)

Just stand back and just look at the grill of it  
(Uh!)

I don't smoke but I bet the \*\*\*\*\* of it  
It totally intensifies the vivid ass appeal of it

You can be jealous and grit ya teeth  
But all these little n\*\*\*\*\* got something in reach  
So, you want heat? These \*\*\*\*\*s can front heat  
While on my boat party trying to sunseek  
My name is Skateboard P

Ladies and gentlemen

Can I have it like that?  
You got it like that  
Can I have it like that?  
You got it like that  
Can I have it like that?  
You got it like that  
Can I have it like that?  
You got it like that

So, drop ya purse and grab ya hips  
And act like ya tryin' to get this money right quick  
So can I have it like that?  
You got it like that  
Can I have it like that?  
You got it like that
