#### "Number 1"

#### (feat. Kanye West)

*[Intro - Kanye West (Pharrell)]*

World's... world's... world's famous [2X]

Your now listenin to (girl)

Skateboard P and the Louis Vuitton Don (I'm back)

It's so unfair so unreasonable

Let's go

*[Verse 1 - Pharrell (Kanye West)]*

I musta hurt your feelings (come on)

Your temper hit the ceiling

You know I wanna talk to you (get em P)

Oh girl come on (come on)

But to maintain this livin (come on come on)

God knows it's not given (come on)

You know I got a lots to do (let's take em up)

Oh girl come on (come on)

I know this part ain't pretty (come on come on)

But you know I been busy (yeah)

Thats why I can't talk long on the phone (uh huh)

Oh girl come on (come on)

So honey if you with me (come on come on)

Know I'll look for your pretty (yeah)

Face to smile when I get home

And when we make love you know it's gon' be amazin

(yeah)

Cause you're my

*[Chorus - Pharrell (Kanye West)]*

Number 1 (baby girl you and me)

Smash hit (thats a hit to me)

Off the charts (look how she get to me)

Classic (she may not be nothin to you but she the shit to me)

Soon as I'm done (tell me how you love that)

I'm dashin (number 1 can't put nothin above that)

Home to hold your heart (you deserve a verse from me)

And smash it (we gon' party like it's our anniversary)  
Go

*[Verse 2 - Pharrell (Kanye West)]*

Didn't I just tell ya (yo)  
That you're my Cinderella (get em P)  
My dream ball ain't fixed one sight (come on)  
Oh girl come on (come on come on)  
Baby.. you know I'd rather be where you are (world's famous)  
You are my shining star  
But last night that just wasn't right  
Oh girl come on (come on come on)  
I know this part ain't pretty (come on)  
But you know I been busy  
Thats why I can't talk long on the phone (the international)  
It's hard for you baby girl come on (world's famous)  
So honey if you with me (yeah)  
Know I'll look for your pretty (everybody)  
Face to smile when I get home (I need you to sing along with me)  
And when we make love you know it's gon' be amazin  
(this part right here it's comin up check it out)  
Cause you're my (everybody say)

*[Chorus - Pharrell (Kanye West)]*

Number 1 (baby girl you and me)  
Smash hit (thats a hit to me)  
Off the charts (look how she get to me)  
Classic (she may not be nothin to you but she the shit to me)  
Soon as I'm done (tell me how you love that)  
I'm dashin (number 1 can't put nothin above that)  
Home to hold your heart (you deserve a verse from me)  
And smash it (we gon' party like it's our anniversary)  
Go  
*[2X]*

*[Verse 3 - Kanye West]*

Yesterday I was half the man you see  
Baby thats because you the other half of me  
You my number 1 hit on the line of the charts  
I'mma (FedEx) my love and have you +sign+ for my heart  
For my number 1 I keep ya dumb fly  
Fresh to death you like after death  
I resurrected my gold Jesus of Nazareth  
Now we (Fresh) as a (Prince) while they (Jazzy Jeff)  
And you don't be sayin shit when they askin questions

A-a-and you be givin me my space a-a-and  
You don't be runnin on +myspace+ a-a-and  
You know some other shit I hate w-w-what  
W-w-when they violate b-but  
Tonight man I ain't in the mood for it  
Don't matter who or you or look how ya co-or  
Dinated man that's my favorite  
I love the way that it

*[Chorus - Pharrell (Kanye West)]*

Number 1 (fits on you)  
Smash hit (girl that's the shit on you)  
Off the charts (look how she get to me)  
Classic (she may not be nothin to you but she the shit to  
me)  
Soon as I'm done (t-tell me how you love that)  
I'm dashin (number 1 can't put nothin above that)  
Home to hold your heart (you deserve a verse from  
me)  
And smash it (we gon' party like it's our anniversary)

Number 1 (come on come on)  
Smash hit (you're my number 1 girl) (come on)  
Off the charts  
Classic (you're my number 1 girl) (come on)  
Soon as I'm done (come on come on)  
I'm dashin (you're my number 1 girl) (come on)  
Home to hold your heart  
And smash it (you're my number 1 girl) (take em up)

*[Outro - Kanye West (Pharrell)]*

World's... world's... world's famous (you're my number  
1 girl)  
World's... world's... world's famous (you're my number  
1 girl)  
World's... world's... world's famous (you're my number  
1 girl)  
World's... world's... world's famous (you're my number  
1 girl)
