I'm over here  
Looking at you  
You're over there  
Watching me too  
Both painting pictures of  
Of how we'll kiss and hug

So what we gonna do  
(So what ya gonna do? What ya gonna do)  
Tell me why we're standing here  
The moment's passion's all so clear  
You've got my mind blown  
And baby, I'm ready to go

But uh  
If it's worth your while  
Say something, say something  
If it's worth your while  
Say something good to me  
Hey, hey, hey  
Hey, hey  
If it's worth your while  
Do something good to me

(Let's make it)  
Hot as you can stand it  
Something like volcanic  
You know it seems organic  
Just like the stars and planets  
Yeah, we are  
So what you gonna do  
(So what ya gonna do? What ya gonna do)

Tell me why we're still in here  
There's nothing for us to fear  
I could tell with my eyes closed  
Now baby, I'm ready to go

But uh  
If it's worth your while  
Say something, say something

If it's worth your while  
Say something good to me  
Hey, hey, hey  
Hey, hey  
If it's worth your while  
Do something good to me

If it's worth your while  
Say something, say something  
If it's worth your while  
Say something good to me, baby  
Hey, hey, hey  
Hey, hey  
If it's worth your while  
Do something good to me

[Snoop Dogg]  
Everytime I fall though  
Want me to speak on the word or two  
It's the D-O-double-G  
And I do it so lovingly  
Diggin? this track by the Neptunes  
Babygirl, follow me to the west room  
Now get buck wild  
Shhh, don't make a sound  
I'll take you, lay you down  
Make your body go round and round  
Do you want me to  
Don't say you won't  
I know you do  
Most girls play shy  
It won't hurt until you give it a try  
I know you like my smile  
Dig my style, dig the bow-wow

But uh  
If it's worth your while  
Say something, say something  
If it's worth your while  
Say something good to me  
Hey, hey, hey  
Hey, hey  
If it's worth your while  
Do something good to me

If it's worth your while  
Say something, say something  
If it's worth your while  
Say something good to me  
Hey, hey, hey  
Hey, hey

If it's worth your while  
Do something good to me
