I am quick to pull the trigger, quick to pull your card  
Hard late for the boulevard  
It's Da B to the R A T with the bump  
Sendin' good vibrations from the trunk to the front of  
your ride

Where I live that's what they like  
So that's what I give  
Somethin' for them fools when they crawl and creep  
And creep and crawl it's fa all y'all, well

Who's that makin' that funky noise?  
It's Da Brat-tat-tat-tat bustin' out on that ass  
Fa all y'all, fa all y'all, hey hey hey,  
You don't hear me, though  
Who's that makin that funky noise?  
It's like that, it's like that, it's Da Brat  
Fa all y'all, fa all y'all, hey hey

Now that Da Brat's in the house yo the house is packed  
Guys and girls everywhere with a hump in they back  
As I sling my funk like a voodoo moose through the hood  
All fa y'all, 'cause everythin' is good now

Lay back listen to the phattest  
Listen to the baddest rhymin' apparatus  
At a status you ain't got to check  
'Cause y'all knows that I definitely gets wrecked, so, uh

Who's that makin' that funky noise?  
It's Da Brat-tat-tat-tat bustin' out on that ass  
Fa all y'all, fa all y'all, hey hey hey  
Who's that makin that funky noise?  
It's like that, it's like that, it's Da Brat  
Fa all y'all, fa all y'all, hey hey

Gotta give thanks to the funk when it's time to pray  
With some fine ass dank now it's time to play  
That shit from that ghetto ass bitch me be  
B to the R A to the T

Just niggas and bitches on every side

Waitin' for the chance to get funkdaified  
And all they gotta do is learn the words of this anthem  
I'll grant them if you can chant them like everybody  
else

Who's that makin' that funky noise?  
It's Da Brat-tat-tat-tat bustin' out on that ass  
Fa all y'all, fa all y'all, hey hey hey  
You don't hear me, though  
Who's that makin that funky noise?  
It's like that, it's like that, it's Da Brat  
Fa all y'all, fa all y'all, hey hey

I promise to funk the whole funk  
Nothin' but the funk  
I promise to funk the whole funk  
Nothin' but the funk
