Soopafly: [Daz] (talking)

[Hey Soopafly I got a beat for ya]  
Let me hear it  
[ Check it out, you like that?]  
Yeah, I like that,  
Now that's what the fuck I'm talkin' bout [ha]  
[What you call it?]  
I call that gangsta shit, nigga  
Muthafucka I call it, What you call it?  
Check it out.

[Soopafly]  
Awww watch out  
Who the man that stand 18 lockout  
Thousand watts of power  
Enough to take your whole block out  
KABOOM the perfect cannibal  
Hit you with some incredible  
Ammunition to blast you when I let it go  
I situate your whole state of thought  
Leave with the feeling of being caught  
If whether you like it or not  
I bust and hush  
Niggaz crush, niggaz don't say shit  
Direct 'em all and check  
[Who the hell are you?]  
I'm super-fly-why? I stay high  
Way high, mashin' on these niggaz  
'Til the day I die  
Keep your heat and vest  
Keep it on cocked  
I built like blocks  
Ballin' like you rockin' my jock  
Will never slow the flow  
Shit, never while I deliver the war  
That you can't fuck wit'  
You'll be actin' the nut  
Approach the mic like 'whut up?'  
Rock the crowd, havin' all the ho's with they butt up  
Now you know the Top Gun

With the tops stop, run the flop  
Keep bustin' 'til they all drop.

Chorus:

Now if you down with this shit say Hell Ya [ Hell Ya!]  
If you down with Soopafly say Hell Ya [Hell Ya]  
If you down to make a crip say Hell Ya [Hell Ya]  
If you down with smokin' shit say Hell Ya [Hell Ya]  
If you like to get high say Hell Ya [Hell Ya]  
If you like to get rich say Hell Ya [Hell Ya]  
If you like to fuck a bitch say Hell Ya [Hell Ya]

Hell Ya

Yeah, yeah, yeah, yeah, yeah  
What U yellin'? [Hell Ya]

[Soopafly]

I take none, niggaz fuck around  
So I break one, hoochies so hard  
Make you say [ Woo Woo!]  
To rape one, eight ton, lyrical style  
Never fake 'em like I'm from Puerto Rico  
And Cuba to Jamaica  
You be always asking for money  
But never make none  
Hot one, these niggaz got me  
Bustin' like a shotgun [ Bla!]  
Top one drop you to the ground  
Maneuver around, stop show  
Who that nigga hangin' from a top row  
I know the game is difficult  
But the same muthafuckaz who reign  
Ain't never ashamed to bring the pain  
Cuz I'm gangsta  
Niggaz to all my niggaz cuz I'm anxious  
Waitin' for the bang and devastation  
Check it out, I break a nigga down  
To find a new route  
If you doubt the ways  
I can snatch yo' ass  
With a nigga game and ride it, let me tap yo' ass  
Now who is you  
Soopafly [That nigga]  
Like I'm Daz

Chorus:

Now if you down with this shit say Hell Ya [ Hell Ya!]  
If you down with Soopafly say Hell Ya [Hell Ya]

Say Hell Ya  
C'mon  
Yeah, yeah, yeah, yeah  
And all my niggaz yellin' Hell Ya!

[Tray Deee]  
I be down for it all for the cause  
Breakin' niggaz jaws  
Have 'em sippin' soup through straws  
Raw Doggz, stompin' muthafuckaz in bras.  
Seen it all from the pen, back to juvenile hall  
Takin' off, callin' doggz  
Outlaw with stripes, Niggaz run for they gun  
When I stomp the night  
I'm obsessed by the Tec's  
Have money and sex  
Old respect, check my rep  
Cuz I'm one of the best  
Wanna label me a threat  
Cuz I invade they game, tip Tha Pound, made the game  
Now they praise my name  
And it's where it's on, ain't no rules for hoods  
Gotta tussle in the struggle  
So remove the strips [Yeah yeah]  
Mind as blank, from the drink and the deck I'm on  
Knockin' ho's from the way I gte my gangsta on  
East Long Beach, 2-1 Street, we keep it crackin'  
Hell Ya, Soopafly, Now that's what's happenin'

Chorus:  
[Soopafly]  
If ya down with Tray-Deee say Hell Ya [ Hell Ya]  
If ya down with makin' G'z say Hell Ya [Hell Ya]  
If you ride for your block say Hell Ya [Hell Ya]  
Bringin' shit that don't stop say Hell Ya [Hell Ya]
