(Da Brat)  
When I wake up in the morning it's (You)  
When I cant sleep at night it's (You)  
When im tossin and turning its (You)  
When my body yearnin it's (You)

Im in love like Maxwell  
You see me cryin but I just cant help it  
Myself esteem is even higher when im walking with you  
You give me fire and desire  
Like Tina Marie and Rick James do  
I don't care burn up the minutes on the cell  
Just turn up the music and feel its hard as hell  
I get abusive with the flows on me  
When I seduce em' they just wanna hold me  
Cuz im so smooth and it's real not phony  
With a nigga you will never be lonely  
Its been official im hot  
And since you is, lets do this  
It seems I been shot by cupid

Am I gonna stop, think not that's stupid cuz . . .

more than the night I keep your name comin out my  
mouth

I cant get you off my mind

Finally found somebody who see me instead what's on  
the out side

As fine as Roy Jones

Makin a move in my bones

You presents makes everything else irrelevant when we  
close

Turn off the 2-way

You lay your head on my pillow

And do me baby

The rhythm gonna get chu groovin baby

And we can rock until broad day light

Body's knockin the boots

Destroying property, poppin me up to get through

It aint right the way you feeling on my booty

Its just you and me

Unexplanatory the way you adore me

Lord have mercy somebody gonna have to pray for me

Your worthy, my service is superb

On purpose im swerving all the way to ya heart
