This that shit, that so, so, def shit, check it
One to the two, it ain't a thing for Da Brat to give it to
you
Three to the four in ninety-six Brat hit your ass with a
whole lot more

Ay, when I step inside your party, yo, I turn dat bitch out
Let 'em know what I'm about this is my fuckin' house
The incompatible, capital B eyes stay chinky
From da green inhaled into my body

All spot lookers kill ya search 'cause this block on lock
And plus dem little bitches you got don't want no work
Not even to come in contact with
It's ritual to da death that we don't tolerate no wack shit
and that's it

All da way crunk half drunk off da remi
Makin' niggas jump speakers pump is all dats in me
Spittin' shit like a semi-auto don't never stop getting
cheese
Is da motto you's follow drinking straight from da
bottle

Attitude is shitty very inquiry kitty holdin' down the
windy city
West side that's right I ain't got no time for joy jappin'
Test me and watch me make something happen

Das right, um, hmm, Brat make it happen
Well, um, hmm, I like that, well, make it happen, hey

Uh, she was the one to make it happen
When dat bitch went platinum
Ain't nothing average about the magic
Between me and da mike and da actin'

When asking a question who put it to the test check the
record
Hit top hottest rap and R and B single, July 2nd
In 94 you flew the funk in, 96 back again
Committed some moe sinnin' fuckin' up most men and

women

The bad seed with mad weed follow no fuckin' leader
True believer in da factor can't no motherfucka beat
her
Keep ya feet up Brat bout to sweep up, niggas can leap
up
And creep up still stay beneath her

'Cause she bust and what to death discuss they
between us
Take precaution prepare to bite da dust and just take
dat shit as a lost
Collect billboard and soul train awards from my trouble
Crappin' you motherfuckas out and coming back for
double
Nice on da dice sippin' on Hen and ice da time is right
Seven eleven on the first go round with funk dafied I
made it happen bitch

Das right, um, hmm, Brat make it happen
Well, um, hmm, I like that, well, make it happen, hey
