Got campagne going so strong  
Getting brain while I'm talking on da phone  
Spend money when ya money's long  
Real street nigga no clone  
We at da top where we belong  
Straight lean, rozay', patron.  
...

If you ain't talkin racks, we ain't talkin back  
If you ain't talkin stacks, what the f\*ck I'ma do with that  
If you ain't talkin racks, we ain't talkin back  
You and me about my money  
What's your name...

I got a... flow 60644, tryin to get to my crib  
West side chicago, atlanta where I live got a...

My feet go... I could get on, spit on

Hustle hard... three more cars... and envy the whole bar  
The next stop is magic  
Police... what we got it and show... laughing  
'Cause they can do what we do...  
I'ma make it make it rain for em and you  
... see lady... get you umbrella I'm flood it up...

Chorus:  
If you ain't talkin racks, we ain't talkin back  
If you ain't talkin stacks, what the f\*ck I'ma do with that  
If you ain't talkin racks, we ain't talkin back  
You and me about my money what's you name...
