[Hook]

You wanna talk to me, let your dollars speak
My favorite language money, can you afford me?
I ride big wheels, I live in big cribs
I get big deals,
So what you got to give?
You wanna talk to me, let your dollars speak
My favorite language money, can you afford me?
I ride big wheels, I live in big cribs
I get big deals,
So what you got to give?

You wanna talk to me, let your dollars speak
My favorite language money, can you afford me?
I speak that authentic, hard in it
Lyrics still spark in it
Clearer, rollin paper in the middle of probation
Ain't no riddle for you to figure out
I still chase it to the day my death certificate show up in
the paper
I'm reppin ahrd for my people who rep hard for me
It's da brat, who the fuck you are supposed to be?

I'm overtaken by this beat in my head
I told the mike that if I ever get forsaken
Just leave me dead
How much more patience do I need to have
Cause everyday I'm makin bangers dj's need to
grab

It's so easy for me to do this, I just cheese and laugh
Happy like a motherfucker that I'm free at last
If you don't like it, you can eat ass
You invisible like a need in some steep grass
I smoke up

Stand in front of me while I count my money
