Shit man, I'm Chillin' in the graveyard drinkin' my brew,
I see dead people comin' out of their graves man,
These mushrooms man, they fuckin' with my head
man,
They fuckin' with my head!!!!

Fuck the Devil, fuck that shit,
We believe in life legit,
If you believe in what we say,
Then why you throw your soul away.....

I'm sittin' in a graveyard rottin' my brain,
as I walk to the store I see that nothin' remains,
As I look to the sky and I ask God why he said..
"Aww what's wrong are you gonna cry?..."
This is your world you made it this way,
so I'ma turn my back cuz I got nothin' to say.
Cuz ya killed my forest and my rivers too,
you polluted the sky now there's nothing for you.
You spread wild fires all across the land,
and the ocean is black this I don't understand.
You lived everyday like it's your last breath,
and ya laughed so hard in the face of death. (Ha Ha
Ha)
And you paint your face like a wicked skull,
and ya stand right back and watch your mankind fall.
And ya think ya slick with your rock band PHEAR,
but now you'll know that the end is near.
So don't come to me to try to save your life,
cuz I'ma sit right back as day turns to night."
Before he turned his back and he turned away he said
"I just got one last thing to say"--He said...

Die, die, die, die,
Die, die, die, die,
Die, die, die, die,
Die, die, die, die...

I walked right into the corner store,
I had enoph for a Faygo and mabey more.
But I walked right down the candy isle,
and I grabbed a couple Twinkiees and I started to

smile.

And I stuffed that shit all up under my shirt,
but then I stoped and I thought and remembered Gods
word.

So I put it back and I apoligized,
then a man walked in..to my suprise.
And he pulled out a gun, and he put it to my head,
then that little punk bitch muthafucka said...
"Tell that man to open up his drawer,
cuz I got this gun and I'm takin' this store.
Don't fuck with me at a time like this,
cuz I'ma send out a bullet garenteed wont miss."
But the clerk had a gun and he shot him dead,
but before he pulled his trigger he said.....

Die, die, die, die,
Die, die, die, die,
Die, die, die, die,
Die, die, die, die...

Fuck the Devil, fuck that shit,
We believe in life legit,
If you believe in what we say,
Then why you throw your soul away.....

That shit was all whack it went straight to my head,
but it ain't the first time I seen a brother dead.
So how do we take this Mother Earth back,
when every brother on the street smokin' his crack.
I got shit to say so ya listen well,
Cuz I hate to see this planet goin' to Hell.
Ya gotta do your part yea, to take good care,
of the land and the warter and the precious air.
And don't forget the one, he's the lord above,
cuz he gave you this Earth and he gave it with love.
So listen real good to these boys named PHEAR,
or these will be the words that you hear, shit.

Die, die, die, die,
Die, die, die, die,
Die, die, die, die,
Die, die, die, die...

Ha ha ha ha ha ha....
Ha ha ha ha ha ha....

Fuck the Devil, fuck that shit,
We believe in life legit,
If you believe in what we say,
Then why you throw your soul away.....

ha ha ha ha ha ha
Fuck off!
