Voodoo runnin' from my magic (check it)
Voodoo runnin' from my magic (check it)
Voodoo runnin' from my magic (check it)
Voodoo runnin' from my magic (check it)

It's the microphone doctor and I'ma check it one, two,
and I'm tellin muthafuckaz what I came to do.
I came to bring the bass and the trebble too,
I came to rock the stage and the whole croud knew.
Lil' Mono is my sidekick and he's sick,
now he's a little drunk but he can deal with it.
He came to rock the crowd and to bring the pain,
he's always runnin' round naked in the acid rain.
Now your record ain't sellin' and your life is a bore,
I got twenty thousand people hipa-hoppin' on the floor.
I got a bad attitude cuz I just don't care,
and you can hear my shit almost anywhere.
HEY, there ya go this shit wont bore ya,
another little hit that I made just for ya.
It's the microphone doctor back makin' housecalls,
Cuttin' on the record so they don't forget,
It's the microphone doctor back makin' housecalls,
spittin' on the record so they don't forget,
It's the microphone doctor back makin' housecalls,
Bustin' on the record so they don't forget ya,
It's the microphone doctor back makin' housecalls,
Lil' Mono's on the record so they don't for get!!

Another microphone doctor and my name is Paul,
and I'm comin' through ya speakers like a 40 pound
mall,
I come to smoke a joint with my homeboy Dave,
it'll knock you on ya ass and leave ya in a daze.
And I ain't gonna try and front for nobody,
cuz me and Trenchmouth are gonna ROCK THE
PARTY!!!
There ya go we did it again,

and if it's a mic compitition then ya know we'll win.
now people perpitrates and stereo type,
but mainstream music ain't nothin' but hype.
Now the Bizcut sucks and Eminem's a fake,

now I'ma step on back as I take a break.

It's the microphone doctor back makin' housecalls,
Cuttin' on the record so they don't forget,
It's the microphone doctor back makin' housecalls,
spittin' on the record so they don't forget,
It's the microphone doctor back makin' housecalls,
Bustin' on the record so they don't forget ya,
It's the microphone doctor back makin' housecalls,
Lil' Mono's on the record so they don't for get!!

I represent Igors I'm comin' in time,
I got a Phatwax Record to blow ya mind!!

My name is Trenchmouth and I'm Hellbent,
and I rocked every jam that I ever went.
I got a mic in my hand and a 40 in the other,
word to ya sister and ya granny and ya mother.
Now show skull love or I'll slap ya silly,
take ya girl backstage and start suckin' on her titty.
We're a band called PHEAR and we're from the south,
and if ya want words of wizdom...Peace I'm out!!

It's the microphone doctor back makin' housecalls,
Cuttin' on the record so they don't forget,
It's the microphone doctor back makin' housecalls,
spittin' on the record so they don't forget,
It's the microphone doctor back makin' housecalls,
Bustin' on the record so they don't forget ya,
It's the microphone doctor back makin' housecalls,
Lil' Mono's on the record so they don't for get!!

Lil' Mono, Mono is that you!
