I got another funky rhyme--I got another funky rhyme.
I got another funky rhyme--another funky rhyme.
another funky funky rhyme.
I got another funky rhyme--I got another funky rhyme.
I got another funky rhyme--another funky rhyme.
another funky funky rhyme.

The party starts here, come grab a beer,
I got a brand new record from my band called PHEAR
On my turntable like to scratch it all up,
drink a 40 ounce of Faygo while I'm chillin' wit' a
slut.(cool)
Bitches in the livin' room wall to wall,
a trail of drunk muthafuckaz leadin' down the hall.(yea)
Where's my homeboy "P" man, don't nobody know,
I think he's chillin' in the kitchen wit' a freak ass hoe!

In the house--in the house
We got another party kickin' in the house.
In the house--in the house
The muthafuckin' partys kickin' in the house.

We take it to the street corner 25 strong,
some bitch starts singin' that "Southwest song".
So I grabbed that bitch and rolled her head off her
shoulders,
then I picked her skull up, inserted my boulders.
Muthafuckaz screamin' out tryna diss me,
cuz they frontin for a hoe then they tryna be a "G".
So I go back to my house and I fill up my gun,
then I go back to the corner and I blow out his tounge.

In the house--in the house
We got another party kickin' in the house.
In the house--in the house
The muthafuckin' partys kickin' in the house.

My moma came home and chased my homies off,
Got bitches in the bedroom barely covered with a
cloth.(Whoo-whoo)
Don't freak mom shit, what the fuck ya doin',
that's my girlfriend well I think her name is Susan.

My moma said hello and she beat the bitches
ass,(bitch)
now she's the only bitch I ever knew that had class.
I woke up in the mornin' and I called in some friends,
my moma went to work so the party starts
again.(Boooyyyy!!)

In the house--in the house
We got another party kickin' in the house.
In the house--in the house
The muthafuckin' partys kickin' in the house.

(FATBOY) In the house--in the house

We got another party kickin' in the house.
In the house--in the house
The muthafuckin' partys kickin' in the house.

In the house--in the house
We got another party kickin' in the house.
In the house--in the house
The muthafuckin' partys kickin' in the house.

And props goes out to the ICP,
cuz the muthafuckaz paved the way for psychos like
me.

In the house--in the house
The muthafuckaz always kickin' in the house.
In the house--in the house
The muthafuckin' partys kickin' in the house.
In the house--in the house
The muthafuckin' partys kickin' in the house.
Break It!
Fuck off fuck off!
Fuck---Off!

Sittin' in my bedroom chillin' on my bed,
My daddy busts in and says don't blow off your head.
What the fucks he talkin' 'bout, he took away my gun,
The muthafuckaz drunk again that sorry ass bum.
Chillin' wit' the crackheads on the fuckin' corner,
a hootchie walks by and I get another boner.
I said hey what's up and my homie says the same,
the stupid muthafuckaz tryna get up on my game.
So I go around the corner and try to get wit' her again,
but the bitch went jeepin' wit' my ugly ass friend.
Dam it's hard bein' a teenage "G",
dam it's hard just tryna be me.
Dam it's hard bein' a teenage "G",
said dam muthafuckaz just tryna be me.

Lifes hard, fuck it all, life goes on,
I scratch my records 'till the break of dawn.
I'm drinkin' on my 40 while ya sittin' on your portch,
ya did'nt know it but I'm in the back wit' a tource.
I burn your house down better find another place,
cuz I'm tired of lookin' at your ugly ass face.
I roll up on the street only when it gets night,
cuz the cops in the day they don't be actin' right.
They come up on me like they got somthin' to prove,
so I bust a cap in they ass, now I'm on the move.

In the house--in the house
We got another party kickin' in the house.
In the house--in the house
The muthafuckin' partys kickin' in the house!
