Yo-yo, What's up,
This is Trenchmouth And I'm hangin' wit' Lil' Mono,
and we 'bout to kick a freestyle, so listen up,
and listen good muthafucka....

My moma don't understand me,
my daddy never really cared,
fuck the rest I failed their test,
I guess life just ain't fair.

HUH!
Lil' Mono is his name and he makes Phatwax, (wax)
he's only 14 but he got phat stacks, (that's right)
he spit on Slim Shaddy wit' his dick in his
hand, (hhuucckk! ptuh!)
cuz everybody know that Dark Lotus run the land,
He got a couple of girlies, yea one and two, (uh huh)
and in another six months, I'll be hittin' 'em too. (fuck
you)
He hangs wit' his homies in groups of threes,
and they bum rush the malls and they snack
C.D.s, (straight up)
but he better not get caught or I'ma kick his ass, (bring
it)
cuz that's my lil' bro, and this clicks gonna last. (word
up)
If he keeps his ass out of county jail, (comuh)
fuck that'll be a shock cuz he got shit for sale. (righh)
He got stereos and swatches too, (straight up)
he got a 44. magnum and he'll point it at you.
And he'll cock it back and he'll pull the trigger, (pkww!)
cuz he got an itchy finger, now your one less nigga!

Pull my trigga, Pull my trigga,
I pull my trigga, now your one less nigga!
One less nigga, One less nigga,
I pull my trigga, now your one less nigga!

Now his name is trenchmouth, and he bootlegs tapes,
(yup)
If you got shit to say, you get a smack in the face.
(ptch!)

He don't play the bizcut, cuz that shit is whack,(whack)
he'd rather loop another beat from back 2 crack.
Cuz he don't give a fuck back in '85 he died,(uh!)
now he's slingin' them dub tapes out the hoop ride.
He always goes to jail for killin' drag queens,
(everyday)
he fucked a bitch yesterday, she's only 15.

Drivin' in a hooptie, bumpin' in the hood,(boomp)
pimpin' a couple bitches and pimpin' 'em good.
Known as a ghetto dog, wit' 40s and chrome,
hangin' Slim from a tree before we roam.
Hatein' richie fuckaz, biggots, and punks,
smokin' on that Indo,(swooo) we don't gives a fuck.
Pickin' up hitch-hikers,(yo babe)the devil never sleeps,
muffeler draggin' on the ground, as we slowly creep
uh!

Pull my trigga, I Pull my trigga,
I pull my trigga, now your one less nigga!
One less nigga, One less nigga,
I pull my trigga, now your one less nigga!

If ya don't know what it's about then ask Mono,
cuz he'll beat ya down like a little hoe.(hoe)
Hey it's okay, I wont pay to play
or beg to stay wit' ya whack D.J.
I'm Trenchmouth and I'll kick you in the head,(uh!)
I wont stop shootin' 'till ya fuckin' dead.
I'll smack you in the mouth and I'll knock out your
teeth,(ptch ah)
so don't try no shit like fuckin' wit' me.(hoe!)
Okay, that last line really sucked,
cuz I'm Trenchmouth and I don't give a fuck.
Don't know how to freestyle or kick it live,(oh yea)
and I'm goin' to the pen about 3 to 5.
I got an ugly ass wife and she's skinny as fuck,
and she got 10 babies fallin' all out her butt.
And I'm down wit' black bitches and I fucked Rah
Digga,
then she started bitchin' now she's one less nigga!

One less nigga, One less nigga
I pull my trigga, now your one less nigga!
One less nigga, One less nigga,
I pull my trigga, now your one less nigga!

One less nigga, One less nigga,
I pull my trigga, now your one less nigga!
One less nigga, One less nigga,
I pull my trigga, now your one less nigga!

Hoe---One less nigga
Hoe---One less nigga
