I just can't take it anymore  
As she wipes her tears  
Slams my car door  
Can't you see  
What you're doing to me?  
To me

I just can't take it anymore  
As she, she wipes her tears  
Slams my car door  
Can't you see  
What you're doing to me?  
And I can't take it anymore  
But she can't see  
What she's doing to me  
To me

See dreams play that game  
You falling hard  
You lose your feet  
And you're swept away  
But I never knew  
How much I wanted to  
Just see us through  
And do these things that lovers do  
And I can stay  
If I can be the only one to blame

These airbrushed memories  
Are all that's floating through my head  
I just haven't gotten used to it yet  
These airbrushed memories  
If our book is closed  
Now it's all I have  
Since she's been gone  
It's been quite some time  
I know she ain't comin' home  
But I guess they say  
That's the price I gotta pay  
For all these lessons I've learned along the way  
And now it's clear to see

That she's just part of my history

These airbrushed memories  
Are all that's floating through my head  
I just haven't gotten used to it yet  
These airbrushed memories  
If our book is closed  
Now it's all I have  
But time has passed  
And I think I understand  
Oh I think I understand

Loving came in it's bits and pieces  
I took it in  
I loved it back  
It was all I needed  
She was all I needed  
She was all I needed
