Two AM
Drunk all alone
Me and my night-light
Doesn't seem right
Been raining all night

Six AM
Rub my eyes
And stare at the ceiling
I've seen better days
Rush them away

If I'm on my way down
Would you catch me if I start to fall?
If I'm on my way, way down
Lend a hand
Take me home
Take me home
Take me home
Take me home

Sweet summer nights in my mind
The stars awake watching
I've seen it before
I can't see anymore

My soul's wearing thin
I'm tired of walking
No matter strength
Just finding my place

If I'm on my way down
Would you catch me if I start to fall?
If I'm on my way, way down
Lend a hand
Take me home
Take me home
Take me home
Take me home

If I'm on my way down

I'm finding my way home
Finding, just finding my way home
And I'll keep walking
Finding my way home
