How can I just let you walk away, just let you leave
without a trace, When I started taking every breath with
you ooooo, You're the only one who really knew me at
all How can you just walk away from me, when all I can
do is watch you leave 'Cos we've shared the laughter
and the pain, and even shared the tears You're the only
one who really knew me at all So take a look at me now,
'cos there's just an empty space And there's nothing
left here to remind me, just the memory of your face
Take a look at me now, 'cos there's just an empty space
And you coming back to me is against all odds and
that's what I've got to face I wish I could just make you
turn around, turn around and see me cry There's so
much I need to say to you, so many reasons why You're
the only one who really knew me at all So take a look at
me now, 'cos there's just an empty space And there's
nothing left here to remind me, just the memory of
your face Take a look at me now, 'cos there's just an
empty space But to wait for you, well that's all I can do
and that's what I've got to face Take a good look at me
now, 'cos I'll still be standing here And you coming
back to me is against all odds That's the chance I've
got to take, oh, oho Just take a look at me now
