So you're leaving in the morning on the early train  
I could say everything's alright  
And I could pretend and say goodbye  
Got your ticket  
Got your suitcase  
Got your leaving smile  
I could say that's the way it goes  
And I could pretend and you won't know  
That I was lying

Cause I can't stop loving you  
No I can't stop loving you  
No I won't stop loving you  
Why should I?

We took a taxi to the station, not a word was said  
And I saw you walk across the road  
For maybe the last time I don't know  
Feeling humble  
I heard a rumble  
On the railway track  
And when I hear that whistle blow  
I'll walk away and you won't know  
That I'll be crying

Cause I can't stop loving you  
No I can't stop loving you  
No I won't stop loving you  
Why should I?

Even try ?? I'll always be here by your side  
Why, why, why ?? I never wanted to say goodbye  
Why even try ? I'm always here if you change, change  
your mind

So you 're leaving in the morning on the early train  
I could say everything's alright  
And I could pretend and say goodbye  
But that would be lying

Cause I can't stop loving you

No I can't stop loving you  
No I won't stop loving you  
Why should I even try?
