Last Tuesday I hit the road about sunrise
A motel, 60 cities - I stuck it
Biggest lights tell me that I'm making good time
Mr. Round with jokers and the clowns
Because you can't feel the music if you don't hear the
sounds
But I'm living life
But the money's kinda tight
But it's alright
'Cause I'm having a good time
Oohh

It's LA this time
And it's LA this time
No I won't turn around
No I won't change my mind
'Cause it's LA this
It's LA this time
Oh I'm leaving this town

Spent my days working it hard in the city
A billion faces pounding the pavement
If I was gone, then I'm sure that no one would miss me
I wanna be a king for a queen
A big time actor on the silver screen
But I'm living life
The money's always tight
But it's alright
'Cause I'm feeling high
Oohh

It's LA this time
And it's LA this time
No I won't turn around
No I won't change my mind
'Cause it's LA this
It's LA this time
Oh I'm leaving this town

New York is cold
And it's freezing my bones
And there's just nothing left that I can do

I got a new scene in front of me
And I'm singing about you

It's LA this time
And it's LA this time
No I won't turn around
No I won't change my mind
It's LA this
It's LA this time
Oohh
It's LA this time
And it's LA this time
No I won't turn around
No I won't change my mind
'Cause it's LA this
It's LA this time

I'm leaving
I'm gone
Oohh oh oh
I'm leaving
I'm gone
I'm leaving
I'm gone
I'm leaving
I'm gone
I'm leaving
I'm gone
I'm leaving
I'm gone
I'm leaving
I'm gone
I'm leaving
I'm gone
I'm leaving
I'm gone
