I'm waiting for someday  
To spend some education down the drain  
And I'm always makin the same mistakes oh  
And I'm stumblin through this mess I've made  
And I'm tired of empty pockets  
And dusty picture frames in unpacked boxes  
And this place to my face but under their breath I can  
swear I hear them say oh no

That your just not good enough  
Well I've seen it before when push comes to shove  
You know I'm only lookin out for you ohh oh  
Your just not good enough  
Well I've seen all your cards and I'm callin your bluff  
cos if you get flyin through to the moon and I'll see you  
get through flyin to the moon

Pent house suites and movies  
And oxioneys in their all displays  
But I don't want your money ,  
And bank accounts that make women love me  
And You say its a fantasy  
Well my dreams still rollin  
But its runnin at a steep

So don't tell me that your just not good enough  
Well I've seen it before when push comes to shove  
You know ,I'm only lookin out for you oh oh  
Your just not good enough  
Well I've seen all your cards and I'm callin you a bluff  
cos if you get flyin to the moon  
And I'll see you get through flyin to the moon

And you say its a fantasy  
Oh and my dreams still runnin  
But its at a steep

So don't tell me that your just not good enough for me  
no no noo no no no

Don't tell me,  
Cos someone once told you

And I'll see you get through flyin to the moon  
I'll see you get through flyin to the moon  
I'm flyin to the moon
