There's nothing complicated about the way we live
We're here for each other, happy to give
Thoughtful we are
Humble beneath the stars
We've everything we need
The moon, the sun
Oh there is more than enough for you, for everyone
All we have we share, and all of us we care
Chorus:
So come on, welcome to our family time
Welcome to our brotherly time
We're happy giving and taking
To the friends we're making
There's nothing we won't do
Welcome to our family time
Welcome to our happy to be time
This is a festival, you know, and best of all
We're here to share it all
There is a bond between us
Nobody can explain
It's a celebration of life
In seeing friends again
I'll be there for you
I know you'll be there for me too
Chorus
Remembering loved ones departed
Someone dear to your heart
Finding love, and planning a future
Telling stories and laughing with friends
Precious moments you'll never forget
This has to be the most beautiful
The most peaceful place
I've ever been to
It's nothing like I've ever seen before
When I think of how far I've come
I can't believe it...and yet I see it
In them I see family
I see the way we used to be
Chorus
We're here to share it all
