I felt that I was on
I'm riding down this road
It's hard to understand
The things I couldn't change

Suddenly heaven decided to show me, a new sensation
I've changed my direction, I'm ready for action
feeling dangerous

[chorus]
I can take it, I can make it
Im dangerous
can't you get it, you can't beat it
I'm fabulous

I can take it, I can make it
I'm dangerous
can't you get it, you can't beat it
'cause I'm so dangerous

All the things are gone
all the waste of time
Now I'm searching for
the glory of my soul

Suddenly heaven decided to show me, a new sensation
I've changed my direction, I'm ready for action
I feel dangerous

[chorus]
I can take it, I can make it
I'm dangerous
can't you get it, you can't beat it
Im fabulous

I can take it, I can make it
I'm dangerous
can't you get it, you can't beat it
'cause I'm so dangerous

aaaa

I'm so dangerous

aaaa

It's time to go
I've tasted the thrill
It's time to feel whats in my face
Don't look back, don't be afraid
The volentaire could be her faith
It's time to live your life

[chorus]
I can take it, I can make it
Im dangerous
can't you get it, you can't beat it
I'm fabulous

I can take it, I can make it
I'm dangerous
can't you get it, you can't beat it
'cause I'm so dangerous
