I wanna be free  
I wanna be free

Here we are  
Hanging on the edge again  
Never say  
Never go the easy way  
Here we stand  
Watching from a different place  
Never go  
You think you're  
Gonna make me stay

I wanna be free  
Wanna feel alive  
I wanna be free  
Wanna have my life again  
You're never gonna see me sad  
Never gonna make me cry  
I just need the time to make it right

Love is good  
It makes you feel alright  
Love's so strong  
Maybe it treats you wrong  
I don't know  
What is in my dreams  
You are here  
Don't think you're in my mind

I wanna be free  
I wanna feel alive  
I wanna be free  
I wanna have my life again  
You're never gonna see me sad  
Never gonna make me cry  
I just need the time to make it right

Here we stand  
Watching from a different place  
Never go  
You think you're gonna make me stay

Just wanna be free  
I want to feel alive  
I wanna be free  
I want to have my life again

I wanna be free  
I wanna feel alive  
I wanna be free  
I wanna have my life again  
You're never gonna see me sad  
Never gonna make me cry  
I just need the time to make it right
