Heeey yeah
Baby baby, baby baby
Im looking through the eyes
Of a lover whos paradised by you (by you)
Mmmmmm
When Im whispering your name
My desire grows within
So strong
And I know u feel it too
Baby tell me, that you will always be around
Promise me devotion, till the end of time
(chorus)
Keep on lovin me like you do
Keep on sayin that Im the one
For you (for you)
And nothing in the world can change it
Lovin me like you do
Makes me realize my heart belongs to you
And nothing in the world can change it
With you there's loving skies
No more secrets and no more lies at all
Ooooh ooooh oh
With you I feel complete
It was a missing piece to fit
My soul (soul)
And I'd never let you go
Baby tell me, that you will always be around
Promise me devotion, till the end of time
(chorus)
Oooooo oooo ooo o
Heeeey heeey heey
Not a thing, in the world
Could ever change, the way I feel for you my love
Unless I kiss, you to the line
I feel your lips, can see your smile
And know for sure, that you're the one
And nothing in the world can change
Say that Im only one, stay with me until the end of time
(end of time)
Yeeeeah
Say that Im only one, stay with me until the end of time
(end of time)

Can you say that Im the only one
(chorus)
