Tonight (tonight, tonight, tonight, tonight)
I know in my heart I want to be with you
Let me love you tonight

How can I make you want me?
How can I make it for real?
I wanna love you forever
I hope that you feel the same

I'll give everything for you
To make you wanna stay
I'll give everything I have
I love you more than I can say

Let me love you tonight
And I'll make you feel alright
I know in my heart
I want to be with you
Oh baby, let me love you tonight
And I'll make you feel alright
In a million years
I won't be over you
Let me love you tonight

I know you don't want to
Be without my love
And if you're gonna kiss me
You know that you have to stay

I'll give everything for you
To make you wanna stay
I'll give everything I have
I love you more than I can say

Let me love you tonight
And I'll make you feel alright
I know in my heart
I want to be with you
Oh baby, let me love you tonight
And I'll make you feel alright
In a million years
I won't be over you

Let me love you tonight

Let me love you tonight
(Tonight, tonight, tonight, tonight)
Let me love you tonight
(Tonight, tonight, tonight, tonight)

In the night I see your face
But only in my dreams
Let me be the one to hold your hand
And make you understand

Ooooh, let me love you
I wanna make you feel alright
Cause I know in my heart
I wanna be with you

Oh baby, let me...
Let me love you tonight
And I'll make you feel alright
I know in my heart
I want to be with you
(I wanna be with you)
(I wanna be with you)
Let me love you tonight
And I'll make you feel alright
In a million years
I won't be over you
Let me love you tonight

Let me love you tonight!
