Soon my heart will break
Mmm, yeah

In the darkness
You light me up
And I'm so sure
You will never stop
All my burdons
They will disappear
When you're with me
I feel no fear

I'm waiting for you
Everytime you have to go
I'm so in love with you
Now can't you see what you've done to me

I know I'm in a circle walking
Round and round afraid to lose it
I'm feeling trapped 'cause I love you so
Oh, nothing can take away my feelings
Round and round it goes on forever
I'm feeling trapped 'cause I miss you so
Soon my heart will break

You're gone
What can I do
I need you here
I depend on you
I start to scream
My body shakes
There's no one here to make me say

I'm waiting for you
Everytime you have to go
I'm so in love with you
Now can't you see what you've done to me

I know I'm in a circle walking
Round and round afraid to lose it
I'm feeling trapped 'cause I love you so
Oh, nothing can take away my feelings

Round and round it goes on forever
I'm feeling trapped 'cause I miss you so
Soon my heart will break

Soon my heart will break

I'm waiting for you
Everytime you have to go
I'm so in love with you
Now can't you see what you've done to me

I know I'm in a circle walking
Round and round afraid to lose it
I'm feeling trapped 'cause I love you so
Oh, nothing can take away my feelings
Round and round it goes on forever
I'm feeling trapped 'cause I miss you so
Soon my heart will break

Soon my heart will break
