I can't take it no more  
I've been down on the floor  
Standing on my knees  
Where did you go?  
I will go my own way  
There's no reason to stay  
I will find my strength  
And smile again

I can feel it  
And I can see it  
It's not so hard at all to make a change  
I can touch it, and I can taste it  
I'm moving up again

I'm not losing the race  
Cause I'm going to take the chance  
There's a life out there waiting for me  
I will run for the thrill  
And I know I'm gonna win  
There's a life out there waiting for me  
Waiting for me...

I don't listen to you  
And the things that you do  
I just go my own way and find the key  
Dancing all trough the night  
And I feel so right  
I wanna go to the edge and be alive

I can feel it  
And I can see it  
It's not so hard at all to make a change  
I can touch it, and I can taste it  
I'm moving up again

I'm not losing the race  
Cause I'm going to take the chance  
There's a life out there waiting for me  
I will run for the thrill  
And I know I'm gonna win  
There's a life out there waiting for me

Waiting for me...

Waiting for you... Waiting for you

Then you called my name  
Then you looked in my eyes  
Then you told me how much you cared for me  
But I know it's too late, I've been losing my faith  
And I said goodbye...

I'm not losing the race  
Cause I'm going to take the chance  
I will run for the thrill  
And I know I'm gonna win

I'm not losing the race  
Cause I'm going to take the chance  
There's a life out there waiting for me  
I will run for the thrill  
And I know I'm gonna win  
There's a life out there waiting for me  
Waiting for me...
