(Hey...)

(Wonder where you are)

I see you go again  
To escape from the pain  
Shouldn't left you alone (no)  
But baby listen to me  
I cant help how I feel  
There's an end of my love

You can run, you can cry  
But look deep in my eyes  
Our love must be through  
I think I'm loosing it all  
I dont want you to fall  
So take my hand  
And tell me were you are

I need to know  
I wonder where you are  
I need to know  
I wonder where you are  
I need to find the love I once had for you  
I wonder where you are

You went away from it all  
Couldnt take it no more  
I fear you are gone  
Would like to see you again  
Say I never walk away  
But I know it's to late  
(And I know it's to late)

You can run, you can cry  
But look deep in my eyes  
Our love must be through  
I think I'm loosing it all  
I dont want you to fall  
So take my hand  
And tell me where you are

I need to know

I wonder where you are  
I need to know  
I wonder where you are  
I need to find the love I once had for you  
I wonder where you are

(Wonder where you are)

Maybe you're walking in my dreams  
Maybe I just wanna hold you  
I need to find the love I once had for you

I wonder where you are  
I wanna know where you are  
I need to find the love I once had for you  
I wonder where you are

I need to know  
I wonder where you are  
I need to know  
I wonder were you are  
I need to find the love I once had for you  
I wonder were you are

I need to know  
(I really need to know where you are)  
I wonder where you are  
I need to know  
I wonder where you are(I want to be with you now)  
I need to find the love I once had for you (I need your  
ready)  
I wonder where you are
