I see you go again
to escape from the pain
shouldn't left you alone (no)
But baby listen to me
I can't help how I feel
theres an end of my love

You can run you can cry
but look deep in my eyes
our love must be through
I think I'm loosing it all
I don't want you to fall
so take my hand
and tell me were you are

I need to know
I wonder were you are
I need to know
I wonder were you are
I need to find the love I once had for you
I wonder were you are
You went away from it all
couldnt take it no more
I fear you are gone
Would like to see you again
say I never walk away
but I know it's to late
(and I know it's to late)

You can run you can cry
but look deep in my eyes
our love must be through
I think I'm loosing it all
I don't want you to fall
so take my hand
and tell me were you are
I need to know
I wonder were you are
I need to know
I wonder were you are
I need to find the love I once had for you
I wonder were you are

(wonder were you are)

Maybe you?r walking in my dreams
maybe I just wanna hold you
I need to find the love I once had for you
I wonder were you are
I wanna know were you are
I need to find the love I once had for you
I wonder were you are
I need to know
I wonder were you are
I need to know
I wonder were you are
I need to find the love I once had for you
I wonder were you are
I need to know
(I really need to know who you are)
I wonder were you are
I need to know
I wonder were you are
I need to find the love I once had for you (i need you
love)
I wonder were you are
