All of my life Ive been searching  
for the words to say how I feel  
Id spend my time, thinking to much  
and leave a little to say what I meanIve tried to  
understand the best I canAll of my life

All of my life Ive been saying sorry  
for the things I know I schould have done  
all the things i could have said, come back to me  
sometimes I wish it had just begun  
seems Im always that little too late

Set 'Em Up, I'll take a drink with you  
pul up a chair, I think I'll stay  
set 'em up, 'cos I'm going nowhere  
there's too much I need to remember, too much I need  
to say

All of my life. I've been lokingbut it's hard to find the  
way  
reaching past the goal in front of me  
while whats important just slips away  
it doesnt come back, burt I'll be looking  
All of my life

Set 'Em Up, I'll take a drink with you  
pul up a chair, I'll think I'll stay  
set 'em up, 'cos Im going nowhere  
there's too much I need to remember,too much I need  
to stay

All of my life there have been regrets  
that I dont do all I couldplaying records upstairs, while  
he watched T.V.  
I didn't spend the time I shouldit's a memory, I will live  
with  
All of my life
