PHIL COLLINS – Billy, Don't Lose My Number

They came at night leaving fear behind  
Shadows were on the ground  
Well nobody knew where to find him  
No evidence was found  
"I'm never coming back" they heard him cry  
And I believe him  
Well he never meant to do anything wrong  
It's gonna get worse if he waits too long

Billy, Billy don't you lose my number  
Cos you're not anywhere that I can find you  
Oh now Billy, Billy don't you lose my number  
Cos you're not anywhere that I can find you, oh no

Searching through the day and into the night  
They wouldn't stop til they found him  
They didn't know him and they didn't understand  
They never asked him why  
"Get out of my way" they heard him shout  
Then a blinding light  
Oh all I could see was him running down the street  
Out of the shadows and into the night

Now Billy, Billy don't you lose my number  
Cos you're not anywhere that I can find you, oh  
Now Billy, Billy don't you lose my number  
Cos you're not anywhere that I can find you, oh

Don't give up, keep running, keep hiding  
Don't give up Billy, if you know you're right  
Don't give up, you know that I am on your side  
Don't give up, oh Billy, you better, you better, you  
better run for your life

Now Billy, Billy don't you lose my number  
Cos you're not anywhere that I can find you, oh  
Oh now Billy, Billy don't you lose my number  
Cos you're not anywhere that I can find you, oh

They came at night leaving fear behind

Shadows were on the ground  
Nobody knew where to find him  
No evidence was found  
"I'm never coming back" they heard him cry  
And I believe him  
He never meant to do anything wrong  
It's gonna get worse if he waits too long

Now Billy, Billy don't you lose my number  
Cos you're not anywhere that I can find you, oh  
Now Billy, Billy don't you lose my number  
Cos you're not anywhere that I can find you, oh  
Now Billy, Billy don't you lose my number  
Cos you're not anywhere that I can find you, oh  
Now Billy, Billy don't you lose my number  
Cos you're not anywhere that I can find you
