So youre leaving in the morning
On the early train
Well, I could say everythings alright
And I could pretend and say goodbye

Got your ticket, got your suitcase
Got your leaving smile
Oh, I could say thats the way it goes
And I could pretend and you wont know
That I was lying

Cause I cant stop loving you
No I cant stop loving you
No I wont stop loving you
Why should I

We took a taxi to the station
Not a word was said
And I saw you walk across the row
Maybe the last time I dont know

Feeling humble, couldnt rumble
On the railwaytrack
Oh, when I hear the whistle blow
I walk away and you wont know
That Ill be crying

Cause I cant stop loving you
No I cant stop loving you
No I wont stop loving you
Why should I

(Even try)
I always be here by your side
(Why, why, why)
I never wanna to say goodbye
Im always here if you change your mind

So youre leaving in the morning
On the early train
Well, I could say everythings alright

And I could pretend and say goodbye
But that would be lying

Cause I cant stop loving you
No I cant stop loving you
No I wont stop loving you
Why should I
Why should I even try

Cause I cant stop loving you
No I cant stop loving you
No I wont stop loving you
Why should I even try
