We never talked about it  
But I hear the blame was mine  
I had called you up to say, "I'm sorry"  
But I wouldn't wanna waste your time

'Cause I love you but I can't take any more  
There's a look I can't describe in your eyes  
We could try like we've tried before  
Would you keep on telling me those lies?

Do you lie?  
Tell me do you remember?

There seemed no way to make up  
Because it seemed your mind was set  
And the way you looked and told me  
That's a look I know I'll never forget

You could've come over to my side  
You could've let me know  
You could've tried to see that distance between us  
But it seemed too far for you to go

So tell me do you remember?  
Tell me do you remember?

Through all of my life  
In spite of all the pain  
You know people are funny sometimes  
'Cause they just can't wait to get hurt again

Tell me do you remember?  
Ohh the one

There are things we won't recall  
And feelings we'll never find  
It's taken so long to see it  
'Cause we never seemed to have the time

There was always something more important to do  
More important to say  
And "I love you" wasn't one of those things

And now it's too late

Tell me do you remember?  
Tell me do you remember?

Just tell me now, tell me now  
Just tell me now, tell me now  
Tell me do you remember?

Do you? Do you? Do you? Do you?  
Do you remember?  
Do you remember?

Do you remember? Now it's over  
Do you remember? Ooh it's over
