You keep on walking so you don't fall down
It's the same old story
You keep on hiding so you can't be found
It's the same old story

Oh, but I know you, you're the one who ran
You know why, it's because you can, oh
But it's alright, 'cause I don't mind
I'm just trying to help

But I wonder why, doesn't anybody stay together
anymore
I wonder why, doesn't anybody stay together anymore

My friends keep falling and they can't get up
It's the same old story
Well, one says white and the other one black
It's the same old story

And I don't know why you keep emotions walled up
Your heart's on your sleeve, but your sleeve is rolled up
But it's alright, 'cause I don't mind
I'm just trying to help

But I wonder why, doesn't anybody stay together
anymore
Oh, I wonder why, doesn't anybody stay together
anymore
I wonder why, doesn't anybody stay together anymore
I wonder why, doesn't anybody stay together anymore

Things can change, from a misunderstanding
Nobody talks, nobody hears, oh oh oh

Makes me wonder why, doesn't anybody stay together
anymore
Oh, I wonder why, doesn't anybody stay together
anymore

You keep on looking for that higher ground
It's the same old story
Your glass is empty and the chips are down

It's the same old story

But I don't know why, your emotions walled up
Your heart's on your sleeve, but your sleeve is rolled up
But it's alright, 'cause I don't mind
I'm just trying to help

But I wonder why, doesn't anybody stay together
anymore
Oh, I wonder why, doesn't anybody stay together
anymore
Oh, I wonder why, doesn't anybody stay together
anymore
Oh, I wonder why, doesn't anybody stay together
anymore
Oh, I wonder why, doesn't anybody stay together
anymore
