They came at night leaving fear behind
Shadows were on the ground
Nobody knew where to find him
No evidence was found
I'm never coming back
They heard him cry
And I believe him
Well he never meant to do anything wrong
It's gonna get worse if he waits too long

Billy, Billy don't lose my number
Cause you're not anywhere
That I can find you
Oh now Billy, Billy don't you lose my number
Cause you're not anywhere that I can find you, oh no

Searching through the day and into the night
They wouldn't stop till they found him
They didn't know him and they didn't understand
They never asked him why
Get out of my way
They heard him shout
Then a blinding light
Ooh all I could see was him running down the street
Out of the shadows and into the night

Now Billy, Billy don't lose my number
Cause you're not anywhere
That I can find you
Now Billy, Billy don't you lose my number
Cause you're not anywhere that I can find you, oh no

Don't give up
Keep running, keep hiding
Don't give up
Billy, if you know you're right
Don't give up
You know that I am on your side
Don't give up
Oh Billy, you better, you better run for your life

Now Billy, Billy don't lose my number
Cause you're not anywhere
That I can find you
Now Billy, Billy don't you lose my number
Cause you're not anywhere that I can find you, oh no

They came at night leaving fear behind
Shadows were on the ground
Nobody knew where to find him
No evidence was found
I'm never coming back
They heard him cry
And I believe him
Well he never meant to do anything wrong
It's gonna get worse if he waits too long

Now Billy, Billy don't lose my number
Cause you're not anywhere
That I can find you
Now Billy, Billy don't you lose my number
Cause you're not anywhere that I can find you, oh no
