They came at night

leaving fear behind shadows along the ground.

Oh

nobody knew where to find him

no evidence was found.

I'm never coming back

they heard him cry and I believe him.

Well

he never meant to do anything wrong

It's gonna get worse if he waits too long.

Billy

Billy

don't you lose my number

'Cos you're not anywhere that I can find you.

Oh no

Billy

Billy

don't you lose my number

'Cos you're not anywhere that I can find you.

Searching through the day and into the night

They wouldn't stop till they found him.

They didn't know him and they didn't understand

They never asked him why.

Get out of my way

they heard him shout

then a blinding light

And all they could see was him

running down the street

Out of the shadows and into the night.

No

Billy

Billy

don't you lose my number

...

Oh

don't give up

keep running

keep hiding.

Don't give up

Billy

if you know you're right.

Don't give up

you know that I am on your side.

Don't give up

oh Billy

you better

you better

You better run for your life.

No

Billy

Billy

don't you lose my number

...

Oh

they came at night

leaving fear behind shadows along the ground. . . .

Oh Billy

Billy

don't you lose my number
