The signs gettin' clearer  
Clearer than you need  
The writing's on the wall  
For you to see

You never thought you'd ever get the taste  
You never thought that it could be this good  
Just tell me what you want and I'll find the key  
Just reach out and touch it's all yours

If you hang in long enough  
You'll do it  
Well just hang in long enough

You're down on the ground, broke  
Or so you say  
You'd sell the hole in your pocket  
If you could find a way

Don't ask me how I know  
'Cos you don't wanna hear  
It's been a long hard road  
And the end is getting near

You never thought you'd ever get the chance  
You never thought your break would come along  
If you tell me what you want, I'll find the key  
Just reach out and touch it's all yours

If you hang in long enough  
You'll do it  
Well just hang in long enough

They always say  
'The best things in life are free'  
But you want to have everything  
Well you're going to have to beg if you want it all

So hang in long enough  
And you'll do it  
Just hang in long enough

Well, they'll let you out  
But then pull you in  
Playing hell with your emotions  
You'll feel like giving in, yeah

Just hang in long enough  
And you'll do it  
Hang in long enough  
And you'll do it, yeah  
Hang in long enough  
And you'll do it

Hang in  
You'll do it  
Hang in  
You'll do it  
Hang in  
You'll do it
