I read all the letters  
I read each word that you've sent to me  
And though it's past now and the words start to fade  
All the memories I have still remain

I've kept all the pictures but I hide my feelings so no  
one knows  
Oh sure my friends all come round but I'm in a crowd  
on my own  
It's 'cause you're gone now but your heart, heart still  
remains  
And it'll be here if you come again

You see I'd heard the rumours, I knew before you let  
me know  
But I didn't believe it, not you, no you would not let me  
go

Seems I was wrong but I love, I love you the same  
And that's the one thing that you can't take away but  
just remember

If leaving me is easy  
Then you know coming back is harder  
If leaving me is easy  
Then you know coming back is harder  
If leaving me is easy  
Then you know coming back is harder

If leaving me is easy  
Then you know coming back is harder  
If leaving me is easy  
Then you know coming back is harder  
If leaving me is easy  
Then you know coming back is harder  
If leaving me is easy  
Then you know coming back is harder
