I can feel it, comin' in the air tonight, oh Lord  
I've been waitin' for this moment, all my life, oh Lord  
Can you feel it comin' in the air tonight, oh Lord?  
Oh Lord

Well if you told me you were drowning  
I would not lend a hand  
I've seen your face before, my friend  
But I don't know if you know who I am?  
Well I was there and I saw what you did  
I saw it with my own two eyes  
So you can wipe off that grin  
Know where you've been  
It's all been a pack of lies

And I can feel it comin' in the air tonight, oh Lord  
I've been waitin' for this moment, all my life, oh Lord  
I can feel it, in the air tonight, oh Lord, oh Lord  
And I've been waitin' for this moment all of my life, oh  
Lord  
Oh Lord

Well I remember, I remember, don't worry  
How could I ever forget?  
It's the first time and the last time we ever met

But I have know the reason why you keep your silence,  
oh  
No you don't fool me  
'Cause the hurt doesn't show  
The pain still grows  
It's stranger to you and me

I can feel it comin' in the air tonight, oh Lord  
I've been waitin' for this moment for all my life, oh Lord  
I can feel it comin' in the air tonight, oh Lord  
I've been waitin' for this moment all my life, oh Lord oh  
Lord

I can feel it, comin' in the air tonight, oh Lord  
I've been waiting for this moment all my life, oh Lord oh  
Lord

I can feel it, comin' in the air  
I can feel it, comin' in the air  
I've been waiting for this moment, all my life, my life  
I can feel it, comin' in the air  
I can feel it, comin' in the air
