Well Iâ€™ve been waiting, waiting here so long
But thinking nothing, nothing could go wrong
Ooh and now I know she has a built-in ability
To take everything she sees
And now it seems Iâ€™m falling, falling for her

She seems to have an invisible touch, yeah
She reaches in and grabs right hold of your heart
She seems to have an invisible touch, yeah
It takes control and slowly tears you apart

Well I don't really know her, I only know her name
Ooh but she crawls under your skin, you're never quite
the same
And now I know she's got something you just can't trust
And it's something mysterious
And now it seems Iâ€™m falling, falling for her

She seems to have an invisible touch, yeah
She reaches in and grabs right hold of your heart
She seems to have an invisible touch, yeah
It takes control and slowly tears you apart

She seems to have an invisible touch, yeah
She reaches in and grabs right hold of your heart

She seems to have an invisible touch, yeah
It takes control and slowly tears you apart

Well she don't like losing, to her it's still a game
And though she will mess up your life you'll want her
just the same
And now I know she has a built-in ability
To take everything she sees
And now it seems Iâ€™ve fallen, fallen for her

She seems to have an invisible touch, yeah
She reaches in and grabs right hold of your heart
She seems to have an invisible touch, yeah
It takes control and slowly tears you apart

She seems to have an invisible touch, yeah

She seems to have an invisible touch, oh
She seems to have an invisible touch, yeah
She seems to have an invisible touch, oh
She seems to have an invisible touch, yeah
She seems to have an invisible touch, oh
She seems to have an invisible touch, yeah
She seems to have an invisible touch, oh
