While I sit here trying  
to think of things to say  
Someone lies bleeding  
in a field somewhere  
So it would seem we've still  
got a long long way to go  
I've seen all I wanna see today

While I sit here trying  
to move you anyway I can  
Someone's son lies dead  
in a gutter somewhere  
And it would seem that we've  
got a long long way to go  
I can't take it anymore

Turn it off if you want to  
Switch it off it will go away  
Turn it off if you want to  
Switch it off or look away

While we sit and we talk and  
  
talk and we talk some more  
Someone's loved one's heart  
stops beating in a street somewhere  
So it would seem we've still  
got a long long way to go I know  
I've heard all I wanna hear today

Turn it off if you want to  
(turn it off if you want to)  
Switch it off it will go away  
(switch it off it will go away)  
Turn it off if you want to  
(turn it off if you want to)  
Switch it off or look away

Switch it off  
Switch it off  
Switch it off  
Switch it off

Switch it off  
Switch it off  
Turn it off
