Whenever I'm with her
Well, something inside
Starts to burnin'
And I'm filled with desire

Could it be the devil in me
Or is this the way love's supposed to be?

It's like a heatwave
Burning in my heart
(It's like a heatwave)
Can't keep from cryin'
(Heatwave)
It's tearing me apart

Whenever she calls my name
Whose soft flow, sweet, and plain
I feel, I feel
Feel that burning flame

Has high blood pressure got a hold on me
Or is this the way love's supposed to be?

It's like a heatwave
Burning in my heart
(It's like a heatwave)
Can't keep from cryin'
(Heatwave)
It's tearing me apart

Heatwave
Heatwave

Sometimes I stare in space
Tears all over my face
Can't explain it, don't understand it
I ain't never felt like this before

Well, that funny feeling has me amazed
Don't know what to do, my head's in a haze

Just like a heatwave

Yeah, yeah, yeah, yeah

Ooh, you're in love, girl
Yes, this is the love girl
Ooh, girl, get it, girl
Ooh, you know this is love, girl

(Ain't nothin' but love, girl)
Don't pass up this chance
It could be true romance
Heatwave

Yeah, yeah, yeah, yeah
Burning, burning, burning
Burning, burning, burning
Burning, burning, burning
