Tell everybody I'm on my way  
New friends and new places to see  
With blue skies ahead, yes I'm on my way  
And there's no where else that I'd rather be

Tell everybody I'm on my way  
And I'm loving every step I take  
With the sun beatin' down, yes I'm on my way  
And I can't keep this smile off my face

'Cause there's nothing like seein' each other again  
No matter what the distance between  
And the stories that we tell will make you smile  
Oh it really lifts my heart

So tell 'em all I'm on my way  
New friends and new places to see  
And to sleep under the stars and could ask for more  
With the moon keeping watch over me  
Not the snow not the rain can change my mind  
The sun will come out wait and see  
And the feeling of the wind in your face can lift your  
heart  
Oh, there's no where I would rather be

'Cause I'm on my way now  
Well and truly  
I'm on my way now

I'm on my way now(x3)

Tell everybody I'm on my way  
And I just can't wait to be there  
With blue skies ahead yes I'm on my way  
And nothing but good times to share

So, tell everybody I'm on my way  
And I just can't wait to be home  
With the sun beating down yes I'm on my way  
And nothing but good times to show

I'm on my way

Yes, I'm on my way
