First: Intro

I've been trying oh so long, to let you know,  
let you know how I feel  
So if I stumble and if I fall, just help me back,  
so I can make you see  
Please give me one more night,  
give me that one more night  
Oh one more night, 'cos I can't wait forever  
Please give me one more night  
just give me that one more night  
Oh one more night, 'cos I can't wait forever

I've been sitting here so long, just wasting time  
Just staring at the phone  
And I was wondering, should I call you  
then I thought, maybe you're not alone  
Oh please give me one more night  
just give me that one more night  
One more night, 'cos I can't wait forever  
Please give me one more night  
just give me that one more night  
One more night, 'cos I can't wait forever

Like a river to the sea, I will always be with you  
And if you said a word, I would follow you  
To give me one more night  
just give me that one more night  
One more night, 'cos I can't wait forever

I know there'll never be a time you'll ever feel the same  
And I know it's only words  
But if you change your mind, you know that I'll be here  
And maybe we both can learn

Ah give me just one more night  
give me that one more night  
Just one more night, 'cos I can't wait forever  
Just give me one more night  
oh give me that one more night  
Just one more night, 'cos I can't wait forever
