Standing in the shadows of love  
I'm getting ready for the heartaches to come  
Can't you see me standing in the shadows of love  
Trying my best to get ready for the heartaches to come

I wanna run but there's no way to go  
'Cause heartaches will follow me, I know  
Without your love, the love I need  
It's the beginning of the end to me

Could you take it away  
All of my reasons for living  
When you pushed aside  
All the love, I've been giving  
Now wait a minute

Didn't I treat you right, now baby, didn't I?  
Didn't I do the best I could, now didn't I?

So don't you leave me standing in the shadows of love  
I'm getting ready for the heartaches to come  
Don't you see me standing in the shadows of love  
Trying my best to get ready for the heartaches to come

All alone, I'm destined to be  
With misery my only company  
It might come today and it might come tomorrow  
But it's for sure I ain't got nothing but sorrow

Now don't your conscience kinda bother you?  
How can you watch me cry after all I've done for you?  
Now hold on a minute

Gave you all the love I had, now didn't I?  
When you needed me, I was always there, now wasn't  
I?

Standing in the shadows of love  
Getting ready for the heartaches to come  
I'm trying not to cry out loud  
'Cause I know cryin', it ain't gonna help me now

Now what did I do to cause all this grief?  
What did I say to make you wanna leave?  
Now wait a minute

I gave my heart and soul to you, now didn't I?  
And didn't I always treat you good, now didn't I?

I'm standing in the shadows of love  
I'm getting ready for the heartaches to come  
Can't you see me standing in the shadows of love?  
Trying my best to get ready for the heartaches to come

Oh, standing in the shadows of love  
I'm getting ready for the heartaches to come
