Whatever you do, I'll do it too  
Show me everything and tell me how  
It all means something  
And yet nothing to me

I can see there's so much to learn  
It's all so close and yet so far  
I see myself as people see me  
Oh, I just know there's something  
bigger out there

I wanna know, can you show me  
I wanna know about these  
strangers like me  
Tell me more, please show me  
Something's familiar about these strangers like me

Every gesture, every move that she makes  
Makes me feel like never before  
Why do I have  
This growing need to be beside her

Ooo, these emotions I never knew  
Of some other world far beyond this place

Beyond the trees, above the clouds  
I see before me a new horizon

I wanna know, can you show me  
I wanna know about these strangers like me  
Tell me more, please show me  
Something's familiar about these strangers like me

Come with me now to see my world  
Where there's beauty beyond your dreams  
Can you feel the things I feel  
Right now, with you  
Take my hand  
There's a world I need to know

I wanna know, can you show me  
I wanna know about these strangers like me

Tell me more, please show me  
Something's familiar about these strangers like me

... I wanna know
