There's a girl that's been on my mind all the time -
sussudio
oho.
Now she don't even know my name

But I think she likes me just the same - sussudio
oho.
Ah
if she called me I'd be there
I'd come running anywhere.
She's all I need
all my life

I feel so good if I just say the word - sussudio

Just say the word - oh
sussudio.

Now I know that I'm too young

my love has just begun - sussudio
oho.
Give me a chance
give me a sign

I'll show her anytime - su-sussudio
oho.
Ah
I've got to have her
have her now

I've got to get closer but I don't know how.

She makes me nervous and makes me scared

But I feel so good if I just say the word - sussudio

Just say the word - oh
su-sussudio
oho.

Ah she's all I need

all of my life

I fee'l so good if I just say the word - sussudio

I say the word - oh
su-sussudio

I say the word - oh
sussudio

I'll say the word - oh
su-sussudio

oho.

Just say the word

just

just say the word

Just say the word - su-sussudio
sussudio
sussudio

Sutsudio

sussudio

sussudio.

I say the word - sussudio

I say the word -

oh

just say the word.
