It must be love, I'm feeling
This must be love
Oh, this must be love, I'm feeling
This must be love

Well, I wait in every day, oh, just in case
You decide to call
And I can hardly wait
'Cause I never thought time could pass so slowly

It must be love, I'm feeling
This must be love
Oh, this must be love, I'm feeling
This must be love

Happiness is something I never thought I'd feel again
But now I know
It's you that I've been looking for
And day by day more and more

Well, I know what you think, you've heard it before
Don't tell me I know
But this feeling inside my heart

You know I'm never letting go, 'cause I think that

It must be love, I'm feeling
This must be love
Oh, this must be love, I'm feeling
This must be love

Words can only say so much
It's harder to express
The things you do to me
You're everything I could've ever dreamed you'd be

This must be love, I'm feeling
This must be love
Oh, this must be love, I'm feeling
This must be love

This must be love, I'm feeling

This must be love
Oh, this must be love, I'm feeling
This must be love

This must be love, I'm feeling
This must be love
