You with the sad eyes  
Don't be discouraged  
Though I realize  
It's hard to take courage,  
In a world full of people  
You can lose sight of it  
And the darkness, inside you  
Makes you feel so small

But I see your true colours  
Shining through  
I see your true colours  
And that's why I love you  
So don't be afraid to let them show  
Just show your true colours,  
True colours, ooh are beautiful like a rainbow.

Show me a smile,  
Don't be unhappy, can't remember  
When I last saw you laughing  
If this world makes you crazy  
And you've taken all you can bear,  
Just call me up,  
Cause you know I'll be there  
And see your true colours  
Shining through  
I see your true colours  
That's why I love you  
So don't be afraid to let them show  
Your true colours,  
True colours are beautiful,  
Oh Like a rainbow

Show me a smile, (show me a smile),  
Don't be unhappy, can't remember  
When I last saw you laughing  
If this world makes you crazy  
And you've taken all you can bear,  
Just call me up,  
Because you know I'll be there

Such sad eyes,

Take courage now,  
Realize

When this world makes you crazy  
And you've taken all you can bear  
Just call me up  
Because you know I'll be there

And see your true colours  
Shining through  
I see your true colours  
That's why I love you  
So don't be afraid to let them show  
Just show your true colours  
True colours, true colours

Are shining through  
I see your true colours  
And that's why I love you  
So don't be afraid; just let them show  
Your true colours, true colours  
True colours are beautiful,  
So beautiful, like a rainbow

Yeah, Yeah, (Yeah, Yeah), Yeah(Yeah), Yeah(Yeah)

Show me your colours,  
(Show me your colours)  
Show me your rainbow,  
(Beautiful)  
Like a rainbow,(Show Me your colours)

Colours, Colours(True Colours shine)  
Show me your rainbow, so beautiful  
That's why I love you  
Show me your colours (True Colours Shinin through)  
Show me your rainbow, beautiful  
Oohooh show me your colours, colours, colours
